Accompanied:
Maathuis, H. and Simpson, M., 2007
Groundwater Resources of the Cypress Lake
Area (72F), Saskatchewan, Saskatchewan
Research Council Report No.11974-1E07.

This document may not be copied without the consent of the authors. However, copies may be made, except for resale, for personal or internal use of the client, provided the original publication is cited where applicable.

Except in testholes where geophysical logs are available, the boundary between an aquifer and aquiclude is based on data that are believed to best fit the information.
