Environmental Business Analyst  
(20 months Term)  

Division: Science and Licensing  
Location: Regina, SK  
Salary: $32.88 - $41.13 (Classification 8)  
Competition Number: WSA-80-2023/24  

Water Security Agency is looking for an enthusiastic individual to join our Informatics unit as an Environmental Business Analyst in our Regina location.  

Reporting to the Supervisor, Environmental Business Systems, an employee in this job will provide data management services to support the delivery of Water Security Agency’s (WSA) drinking water and wastewater quality vision and the Ministry of Environment’s Environmental Protection Branch’s goals.  

Work is undertaken in a team environment collecting, manipulating, managing and reporting on water quality data as it pertains to drinking water, wastewater, surface water and groundwater. This employee will collaborate with Ministry of Environment to fulfill their solid waste and storage facilities data requirements. This employee will be responsible to undertake routine to moderately complex projects or assignments.  

The successful candidate will have a Degree in the natural or physical sciences or an equivalent combination of related experience and education and 3 years’ experience with knowledge of general water chemistry, in relation to drinking water, water treatment and wastewater.  

If you have specific questions regarding this position, feel free to reach out to hr@wsask.ca and the recruitment team would be happy to discuss the opportunity further.  

A satisfactory criminal record check is required.  

“Need a Career? Just add Water!”  

At the Water Security Agency, you’ll have more than just a job - you’ll build a rewarding career. Whether you’re managing water supply, protecting water quality or ensuring safe drinking water, you can be confident that the work you do will help to support a strong and growing Saskatchewan. Become a member of the team that is committed to being the best water management agency in North America.”  

We offer rewarding career opportunities, competitive salaries and a comprehensive benefits package.
